

CLEVELAND CAVALIERS TEAM SHOP

Cleveland, Ohio

Project Description

The Albert M. Higley Co. served as construction manager manager for The Cleveland Cavaliers Team Shop at Quicken Loans Arena which included a new canted exterior glass wall entrance system, a new second floor mezzanine and stair, polished stained concrete floors, and a ceiling-hung scoreboard electrically interconnected to the arena's main scoreboard.

This project was completed on a fast-track basis as Quicken Loans Arena remained fully operational with a full schedule of events.
