

HATHAWAY BROWN AQUATIC CENTER

Shaker Heights, Ohio

Project Description

The Albert M. Higley Co. served as Construction Manager at Risk for Hathaway Brown School's new Carol and John Butler Aquatic Center. The scope included a one-story natatorium with a 25-yard/eight-lane competition pool, deep diving well with a three-meter board, and an instructional pool. The addition included locker rooms, a 150-person grandstand, offices, a mechanical room, and an electrical substation in the basement.
