

ST. ELIZABETH BOARDMAN HEALTH CENTER

Boardman, Ohio

Project Description

The Albert M. Higley Co. served as Construction Manager at Risk in joint venture with a local firm to construct this 262,000 SF hospital which included a seven-story bed tower with 96 general surgical beds, 12 ICU beds, and 20 pediatric beds, along with 30,000-SF surgery center with five operating rooms and ancillary.

Simultaneously we constructed a new 62,000 SF, three-story, medical office building adjacent to the new bed tower for Fraunshuh Healthcare Real Estate Solutions.
