

THE GARDENS OF A.M. MCGREGOR

East Cleveland, Ohio

Project Description

The Albert M. Higley Co. served as Construction Manager at Risk for The Gardens of A.M. McGregor which included 98 all-private skilled nursing rooms and 48 dementia beds, a 17,000 square foot community center, a library, greenhouse, ice-cream parlor and a 400-seat auditorium.

Subsequent to the completion of this project, The Albert M. Higley Co. has served as Construction Manager at Risk on a series of renovation projects of their original facility.
