

WPP | GEOMETRY CLEVELAND, OHIO

PROJECT DESCRIPTION

AMHigley served as Construction Manager at Risk for WPP | Geometry Regional Headquarters. Totalling 14,000 SF, this office Build-Out consists of open floor plan, offices, and collaborative spaces. The owner also brought on local artists to complete abstract artwork and murals throughout the space.

PROJECT ACHIEVEMENTS

- Began Construction prior to design completion to expedite the schedule and achieve fast-track turn over.
- Self-performed all interiors work and carpentry
- Facilitated local artists to create moss wall, mangus wall, and mural that depicts famous local icons of Cleveland.
- Coordination and partnership with the branding package vendors chosen by the architect and contracts through us for the moss wall, branding signage and branding walls.
