

Since 1925, The Albert M. Higley Co. has helped our clients realize their goals and visions; always while adhering to our principles of honesty, integrity, and mutual respect. Today we are stronger and better positioned to serve our clients' needs than ever before. Our systems, processes, and technologies are among the best in the industry. We are continuously evolving and innovating to better serve our clients, today and in the future. But what truly sets us apart is our people. Their dedication to providing best-in-class service, unwavering dedication to client satisfaction; and commitment to improving communities in which we live and work, helps make us the construction professionals of choice.

## BEYOND bricks and mortar

AMHigley is more than just a construction company, because we build more than just buildings. Since 1925, we've built the offices where you work, the schools where you learn and the hospitals where you heal. We build environments so that you can live, work and play. With every building, we go beyond bricks and mortar by connecting people and place.
